Hello,

I'm writing to express my strong opposition to any efforts to remove or restrict mail-in voting in Oregon. The ability to vote by mail has become an essential part of our democratic process, ensuring that all Oregonians, regardless of their location, work schedule, or health status, have access to participate in elections.

Mail-in voting provides convenience, accessibility, and security, allowing citizens to vote on their own time without facing unnecessary barriers. In Oregon, this method has been successfully implemented for years, contributing to high voter turnout and the inclusion of a diverse range of voices in our elections.

I believe that any move to take away mail-in voting is a step backward, undermining the progress we have made in making elections more accessible and fair for everyone. I urge our legislators to protect and expand, rather than restrict, access to mail-in voting, ensuring that every eligible voter has the opportunity to participate in the democratic process.

Thank you for your attention to this important issue.

Sincerely,  
Carly Kowalski
