

Submitter:

Debbie Langendoen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I love voting by mail. I can look up each issue or person from home and take my time doing it. In person voting is not something I want to do ever again. If people want to do in person voting let them. But I believe the majority like it just fine the way it is. It works!
