SB210

I am 43 years old. I have only ever voted by Mail in the state of Oregon. This is the only state I've lived in. Vote by mail is the best thing ever. My vote is always cast the way that I want. I have never had any concern or seen any evidence of it not Being counted in the way I wanted.

Vote by mail allows me the flexibility to review measures and take time to understand the people that I'm voting into positions to speak for me.

Taking away vote by Mail would be a horrible choice for Oregon.
