

Submitter:

E Smith

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I write in opposition of the proposed bill. Mail in voting in Oregon allows citizens to engage their right to vote and is the most important right - to make our voices heard. This is our country, our democracy and voting by mail gives Oregon a powerful ability to respond to issues facing us as a community. We must continue mail in voting in Oregon. I plead for our representatives to stop this ban and continue mail in voting.
