SB210

I oppose SB 210 which creates barriers to our voting by mail. Sort of underhanded you know: destroy easy access and "ah, shucks" you all didn't do it right" so we won't count your vote kinda bullshit.

Whew. What's lacking is any respect, any integrity with the submission of this bill. Should I suspect the motive? Should I feel dismissed, disregarded as an Oregon citizen?

What is the expectation? The goal? Say it out loud. This is a cowardly way of manipulating the citizenry and gaining power to offend again and again.

I should not be surprised. I am enraged at the malignancy of this. It's bullshit. I oppose SB210.
