SB210

1. I would likely vote less often if I had to appear in person. Who wants to stand in the Oregon rain for hours?
2. We should have no financial barriers to voting, so keep the pre-paid postage.
3. If an approved picture ID isn't free, it shouldn't be required. Again, a financial barrier for some.
4. The need of additional staff will likely raise the cost of conducting elections.
5. What's the point? Our system isn't perfect, but it isn't so broken it needs this type of over-haul.
6. We have been doing Mail-In Voting for years, it's worked really well for us and makes it easy! Don't change that!
