SB210

Hello,

I implore you to stop the passing of this bill that infringes on Oregonian's right to vote. This makes voting less accessible and only hurts our hard working Oregonians. Please, stand up for Oregonians and keep mail in voting, a form so many rely upon. Many people are unable to go in person, due to disability, lack of time, geography, etc. it is wrong to deny us this option of making our voice heard.
