

Submitter:

Roy Trammell

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail is convenient and encourages voter participation. It extends the franchise to those without means, transport, or capability to vote in person. It increases privacy and safety. Intimidation and surveillance are less likely. I have appreciated these advantages for many years. Please do not discard it, in part or in whole.
