

Submitter: Jessie English

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

As a registered and voting Oregonian in EVERY ELECTION, I oppose requiring in-person voting. Our vote by mail system is secure and allows me to vote in the convenience of my own home. I do drop off in person as I can, but sometimes I am too busy as a small business owner to that and I mail it in.

The system works. It is not broken. Why would you change it?

Thank you for listening. Jessie English, Portland, OR
