Study all you want; pass "laws" until you're blue in the face. Sorry, but unless you seek to amend the second amendment of the US constitution and Article 1, Section 27 of the Oregon Constitution, you have absolutely no authority to take away our right to bear arms.

You see, the 2nd amendment is supreme and negates any contrary rule of any kind you might seek to enforce. Article 1, Sec. 27 supplements, supports, and is pursuant to and therefore a part and parcel of the "supreme law" in the jurisdiction of Oregon.

Therefore, I shall ignore your legislation if it has anything to do with firearms, and, as well, I will adamantly oppose you if you seek to amend either constitution.

Every citizen has the absolute right to bear arms, period.
