SB210

Please, for the love of all that is good and holy, do not allow this terrible bill to pass. It's bad enough what is happening on a national level. We are already losing so much, don't take more away. Mail-in voting has worked for YEARS. Leave it alone. (And also let's protect people who may not be able to leave their house for various reasons). I am so disgusted at what is just discrimination wrapped in pretty paper.
