

Submitter:

Bonnie Esbensen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Our current system of voting by mail has been fair and in use for many election cycles. It also makes it possible for handicapped and elderly people to vote. I am 78 years old and can envision a time when it will be difficult for me to appear in person to vote, even if my mind is still sharp.
