

Submitter:

Nicholus Klouda

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This is insane that Republicans are trying at every step of the way to make it harder to vote, not just for Democrats but all Americans. This bill in no way should even be brought to the floor for a vote as this is attacking the very core of our right to vote. I strongly oppose this measure and the GOP for even attempting this.
