SB210

I have been a lifelong resident of Oregon and born in the 1950's. I have voted since I was 18 years old and feel that it is my duty as an American citizens and resident of Oregon to vote.

When I board a plane to travel anywhere in the world I must present my valid ID. When I purchase a firearm I must present my valid ID. When I purchase alcohol or tobacco I much present my valid ID. When I am pulled over for a traffic violation I must present my valid ID. Anything pertaining to law and the enforcement of law I have to present my valid ID.

In Oregon we vote in local, state and federal elections. The lawful age for voting is age 18 in Oregon. Since there is a law attached to voting there should be valid ID presented that the person voting is a legal citizen and eligible to vote as the the law states.

Please make voter ID a requirement of the law that allows Oregon and American citizens to vote.

Thank you.
