SB210

Good Day! Please do not pass this horrible piece of legislation. When we moved to Oregon in 2018, we were blown away with how easy the system is to register and vote in. It is beyond comprehension how anyone could say this system is anything but what it is.....fantastic! No need for polling places, no need for equipment and the necessary people to move it all to set it up. It is efficient and saves taxpayers money, not to mention you register when you change your license. In a world so concerned with government efficiency this bill would take us back to stone age and make it harder for people to vote.

I STRONGLY OPPOSE this bill.

Thank you for your time.

Sincerely,

Blake Hennessy
