

Submitter: Amy Hull

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

We have allowed fraudulent voting for far too long in these mail-in elections. I have received ballots for myself, under my maiden and my married name, for Presidential elections. I've only ever been registered to vote under my maiden name, and have been since my 18th birthday. The only people who should be allowed to vote, are those with proper documentation to become a voting citizen.
