

Submitter:

Deborah Jonathan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I STRONGLY support Oregonians' right to vote by mail. Many positives including the time and space to go over each vote in a purposeful way. It also makes voting accessible wherever you live. Gone are the days when we stood in line and waited and had to find time outside of our busy work schedules. It's secure and efficient. It should be available in every state. Everyone should be able to vote. VOTE BY MAIL!
