As a resident of Portland, OR who grew up in Maryland where people had to take off work (those who could afford to) in order to vote, was resolved when I moved to Oregon, where paper voting was available. It has been EXCELLENT, reliable, safe and secure. I love getting the notification that my ballot is on its way, and the confirmation message I receive when it arrives for counting. It feels very organized, regimented, reliable, safe and secure. I urge you to keep paper ballot voting in Oregon.
