

Submitter:

Diane Peterson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

NO! NO! NEVER! Oregon was one of the first states to initiate vote-by-mail and it has been a HUGE success and should NEVER be eliminated just because of a president thinks it resulted in his loss in 2020. Even Florida has vote by mail and you know he never voted in person! This proposal for the change in the current law is a BS!!
