I am opposed to SB243. This bill does not protect Oregonians, it will only harm It's law-abiding citizens. We currently have a background check system in place for current and new gun buyers. The state of Oregon already had laws in place that we do not enforce. Let's work on holding offenders accountable for their actions. Let's fund mental health the way it needs to be. I work for the state prison system. We are not able to do group punishment. We have policy and procedures to hold each one accountable for their actions.

As an FFL dealer I already have had to pay fees. I had to pay fees to the state of Oregon for my licensing to run a business in Oregon. Now you want to impose more fees and regulations that the state can't support I already have to follow the ATF rules and regulations.

Please vote no on SB 243
