

Submitter: Jake Brown

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I stand in support of SB210 in order to bring fairness back into our elections and negate the fraud that is caused by mail-in voting and the fraud that accompanies it. Voting is the single most important issue in the fairness of our elections and the integrity of it can only be preserved through in person voting after identification has been verified. This is the fairest and most equitable way of preserving our Union and State.
