Measure, Appointment or Topic:

SB210

I oppose this measure since my friends and family member rely on mail in voting because we cannot take the day off work to stand in line to vote at the polls. It would be an undue hardship for many Oregonians who cannot take time off work, find childcare or have reliable transportation to exercise their right to vote. As my officials who have been elected to represent my peers and I, I urge you not to make this change to our election process.
