

To all Oregon Legislators,

I vehemently oppose SB210. This is a blatant attempt at voter suppression. Oregon voters have not asked for in person only voting. This is only being brought up because of Republican support for a criminal administration. My husband and parents are all disabled. This would be an undue hardship on so many all because Republicans know the higher voter turnout, results in more votes cast for Democrats. Ultimately this is a decision that should be made by the voters, not legislators.

Sincerely,
