

Submitter:

Emmet Band

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's motor voter system is both safe and secure. This is an attempt to make it more difficult for Oregonian's to vote and deprive them of right to vote.

There is no factual reason for this measure to be considered. I am most vehemently opposed.

Sincerely,

Emmet C. Band

Eugene, Or
