We have to be able to trust the election process. It forms the foundation for representative government.

The last Republican governor elected was in 1979 - 1987: that is a LONG time ago and seems more-than-suspicious that Oregon has suffered from election fraud. Mail-in voting is subject to fraud and manipulation for the following reasons:

- *Voter impersonation
- *Ballot harvesting
- *Double voting
- *Ballots being mistreated
- *Transit problems: lost, stolen, delayed, tampered with
- *Voter roll call inaccuracies
- *Signature verification issues

Please restore integrity and confidence in Oregon elections.
