Vote-by-mail has been a Godsend to my family, and to many other Oregonians. It makes it easy to study the candidates and issues and vote in the comfort and privacy of our home. The days of voting in person required time off of work, struggling to find parking and often waiting in line in the cold. These difficulties, I am sure, reduced the number of voters in Oregon. We have been one of the most progressive states on this issue. Please keep our vote-by-mail system in place!
