Measure, Appointment or Topic: SB210

How dare you with your thinly veiled attempts to suppress voter turn out, to damage and undermine a longstanding pillar of Oregon elections, and to bend the knee and suck up to your Lord and Savior Donald Trump. Shame on you Republican lawmakers. Shame shame shame. No wonder you're in the minority. Why don't you work to solve Oregon's REAL problems instead of this performative assbattery to please your audience of one. Pathetic.
