SB210

Restricting the right of voters to have access to the ballot is un-American. Here in the FREE state of Oregon, we don't bow to the whims of wannabe kings or their fascist bootlicking cronies. We recognize the freedom we are blessed with to voice our choices as to who represents US. If you want to live in a state that doesn't want its people to have a voice, MOVE TO TEXAS. That is all. Those of you who wrote/support this measure, thank you for outing yourselves as anti-American, anti-democracy, and unwilling to represent the will of the people. Those of you who faithfully represent the will of the people, thank you for standing up to this attempt restrict the democratic rights of the people. We do see what you do, and know who you represent with your choices. The right to vote is the right for US to replace those of you who willingly would take OUR rights from us with honest Americans who will honor the will of the people.
