Voting by mail is safe, convenient, and lets people who work long hours vote! When I came to Oregon for Massachusetts over 25 years ago, I did not understand vote by mail. But the truth was, back in Massachusetts, I did not always vote because my work schedule did not allow me to wait in line at the polls. Now I am able to vote from home and with the time saved, I learn all about the candidates and measures. Voting by mail should be retained.
