

Submitter: Luke Bousquet

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

This would significantly impede the ability of many Oregonians to vote. People who do not live near a voting station would have to take time off work which is not an option for many. Being able to make your voice heard by voting is the most crucial part of our democracy and therefore anything that prevents citizens from being able to vote is not acceptable.
