I was not a fan of all mail voting at first because I enjoy the camaraderie and celebration of in person voting. I have been convinced mail voting is reliable, safe, gives us all time to consider our choices with Voter Pamphlet in hand, and it really works. Many people have trouble getting to a polling place for all sorts of reasons: work, childcare, weather, reliable transportation, and more and more. Voting by mail is the Bees Knees. Let's please not lose it.

Thank you for your good work.
