Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Do not abolish vote by mail in Oregon! It is ESSENTIAL that ALL citizens have the opportunity to vote at their convenience. Rural residents, those who need public transportation, those with odd employment hours, people with disabilities, people who travel for work ALL need the opportunity to vote when able, NOT just in one 8 hour period. Voting by mail is safe and secure and it needs to remain the primary method of voting in Oregon.
