

Submitter:

Judith Niland

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this bill. Oregon has consistently had the strongest safest elections nationwide.

This is a distraction and red herring.

In addition as an older disabled person I am unable to vote in person. This bill will take away my right to vote.

Stop messing around with small minded ignorant people pushing the Maga agenda and lies.

Get back to the real work.

Thank you
