

Submitter:	Robin Laughlin
On Behalf Of:	Self
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Vote by mail lets me make good choices on my own time.

Voting only In person will disallow folks who farm, live in remote area, work odd hours, can't get child care , don't have transportation, are sick on Election Day, etc etc. put simply, thousands of voters will be disenfranchised.

Keep Oregon voting strong by mail.

I strongly oppose this.
