Vote by mail works so well for me. Since it began I have voted in every election. I have been aware and involved in elections because I knew that I could sit with my ballot and remember what I had heard and read about each issue and candidate. I could make my decision when I had the time to consider each vote. I didn't have to try to squeeze voting in on a busy day between other responsibilities. Vote by mail helps me be an informed and involved citizen. Don't take this away from me.
