

Submitter:

Sara Smith

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting encourages participation in elections by giving voters time to read publications, consider their position and vote in accordance. It isn't necessary to take time off work or from caring for children or other family members. It is secure as we use it now. There is NO REASON to change a system that is working well for Oregonians.
