SB210

I strongly support SB 210 which makes in-person voting on the date of an election the standard method for conducting an election. It is imperative that voters show valid government ID which requires citizenship in order to vote. All ballots counted should be in the Elections office on "Election Day" and there is no reason for the State to pay for postage on any mail-in type ballots. Ballot boxes are located throughout the County if you have a mail-in/absentee ballot. Any voter registering to vote should be required to provide government ID which proves they are a legal citizen in Oregon. Prior to each election, a voter using a mail-in or absentee ballot should provide proof of citizenship. Please support SB 210.
