

Submitter: Emily Baker

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by mail has been my means of voting for its ease, practicality to place my vote. To do away with mail voting results in long lines, difficult for those with physical limitations, limited means of transportation. This has been my means of voting for many years. To rid this right, again the right of every registered voter to place their vote, limits the democratic right of every American.
