

Submitter:

Stephanie Love

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

My father passed away 12-08-18 and in 2020, I received my dad's ballot. The people of Oregon are sick and tired of seeing how mail in voting has destroyed our beautiful state. Oregon has been installing their puppet ever since mail in voting was installed. Oregon's current instalment is afraid of in person, paper ballots, and voter ID.
