

Submitter:

Nancy Hightower

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm writing to oppose Measure SB210. Mail-in voting is the best option to ensure voter participation and protection from tampering. It also allows community members who are unable to cast in-person votes the opportunity to exercise their right to vote in their government's elections. Oregon's successful mail-in voting system must remain in place.
