SB210

I moved to Oregon in 1988. In person voting, was the Law of the Land. I've went along and not questioned but have received more than one ballot at least two times in the past and when I spoke to representatives they actually HUNG up because I was concerned about the confusion this cost me and the system is NOT TRANSPARENT AT ALL, which begs to differ, WHY NOT? Well, all the Democrats who have ran this State into a FAST downward spiral, are the ONLY ONES, who will fall on thier own SWORD defending the Right to allow illegals to Vote, aka MAIL IN VOTER FRAUD RUN RAMPANT!! Until you stop GASLIGHTING us, I will continue to HATE ALL DEMOCRAT LEADERS and have absolutely no respect for. If you Own the State, then why would you be AFRAID of in person voting? One vote, one I'd, one body. I can see right then that it's counted and done. This will RESTORE some kind of Middle ground to the WARFARE the DEMOCRAT Leaders in this State and all the UNELECTED CHEATERS out there that think THEY RUN and OWN this State, a WELCOME CHANGE for the FUTURE!! If you DO NOT PASS THIS, I WILL KNOW YOU'VE RIGGED IT and WE'll see YOU, in COURT!!! Not to mention, we will not be silenced by YOU?????? THERE ARE A LOT OF REPUBLICANS IN THIS STATE AND WE ARE COMING AFTER THIS??????
