Measure, Appointment or Topic:

SB210

I oppose this measure because it is just another attempt to suppress the vote by the Republican Party. I am 69 YOA and would find it difficult to stand in line for the length of time it would take to vote. There has never been any controversy about mail in voting that I have heard of. The voice of the People needs to be heard, and this Measure would diminish that voice.

The Republican Party is not on the side of the People, they are on the side of the Corporations.
