SB210

I'm writing in support of SB 210 because it's about time we go back to voting in person! Identification will be required and that is a very good thing. If you are required to show ID when purchasing a six pack of beer at the grocery store (I'm 71 and have been carded every time in recent years!) then it totally is right to be asked for ID when voting! This also will make Oregon come into compliance with recent Executive Orders as well as current federal law. Oregon is being sued by Judicial Watch because of its noncompliance with current federal law.
