Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose changing how residents in Oregon vote. Having the ability to vote by mail allows more people to vote: getting time off work can be challenging and voting by mail alleviates that problem. Voting by mail also helps me be a more informed voter. I can take my time researching candidates and mark my choice on my ballot as I make it, only mailing it in once I've completed all the research and made my final decisions.
