SB210

Dear Sir or madam

I'm writing to oppose any bill or legislation that would remove vote by mail in Oregon. Removing vote by mail in Oregon is an attempt to interfere with legitimate voting and democracy and action in the state of Oregon. It's an attempt by Donald Trump and his followers to change the political makeup of the state of Oregon and prevent marginalized people from engaging in a simple voting process and to prevent the voices from being heard in the Oregon legislature.

Signed

Matthew Kenneth
