One of the best things about moving to Oregon is mail in voting! It is so convenient, and I can take my time voting while reading the catalog with various candidates' positions while home drinking a cup of coffee when it is convenient for me. I have done in-person voting and it is always a hassle- having to leave work, stand in lines. It is much easier to fulfill my American duty by voting with mail in voting. Please do not make it harder for Americans' voices to be heard!
