

Submitter: Wayne Brust

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I can remember when my father did in-person voting and the pride he felt was inspiring. When Oregon switched to mail in voting he lost the excitement in voting! I myself have never been able to vote in person and there is no sense of pride or excitement. I hope one day I can go down to the local voting booth and cast my vote! Then I could feel the pride my father once had voting.
