

Chairman Marsh, Vice-chairman Andersen, members of the committee:

Thank you for the opportunity to submit testimony. I urge you to **oppose** HB3921.

My name is Gary Anderson and I live on Charter Oaks. I do not wish to reiterate all the valid reasons for **not** passing HB3921. Apparently, the justifications the developers have come up with to do the land swap and the expansion of the Urban Growth Boundary is not enough for the DLCDC to accept. Their solution is to try to bypass the law and the Oregon Department of Land Conservation and Development. This can**not** be allowed to happen. Also, where is the emergency? Could such actions undermine Oregon's land-use planning system? Could there be potential consequences of bypassing established procedures?

Please reject HB 3921.

Thank you.

Gary Anderson
