A CITIZEN'S right to vote IS GUARANTEED IN THE CONSTITUTION. The post office is not secure. Ever tried mailing cash via the USPS--NOT a good idea. Having to show government-issued ID is required to fly, rent a hotel room, pick up prescription medication, purchase alcohol or tobacco, obtaining a fishing or hunting license. The list goes on and on. Certainly several of these activities are of lesser importance than electing our public officials and voting on changes to taxes and laws!!!!!! WE NEED TO VOTE IN PERSON, AND VOTER ID SHOULD BE REQUIRED!!!
