

Submitter:

Meryl SmithBromley

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I believe we should NOT require in-person voting in Oregon. Oregon has always been a state in which freedoms are important, and the freedom to vote by mail is extremely important to me. Many Oregonians do not have flexibility in their daily schedules that allow them to vote in-person at a polling place. Keep mail-in voting in Oregon.
